## BLACKBOARD COLLABORATE: TIPS FOR STUDENT SUCCESS

### BE ON TIME

Click on the link to your teacher's live session 5-10 minutes before it is scheduled to begin.

### WEAR HEADPHONES

This isn't a requirement, but it will help. Headphones will prevent feedback loops that result from your mic picking up other people speaking. They may also help you tune out the background noise in your home.

### HAVE PAPER/PENCIL NEARBY

Jot down questions you might have while your teacher is instructing, so you'll remember to ask when he/she is done speaking. Take notes, or sketch notes to help you process. Write down comments you'd like to share.

### GET IN THE ZONE

Do whatever you need to feel focused and engaged. Maybe you want to wear cozy pajama pants. Maybe you want a hot cup of tea nearby. Maybe you prefer to stand with your device on a counter top. Find what works for you!

### USE THE HAND RAISE FEATURE

Have a question? Want to share? Use the hand raise tool and wait for your teacher to call on you.

### BE KIND

School closures are tough on all of us, and in these uncertain times the most important thing we can do is that we show each other that we care.
